“THE HANDS-ON SKILLS I LEARNED ARE GOING TO HELP ME A LOT GOING FORWARD. THE PROGRAM IMPROVED MY PEOPLE SKILLS AND TAUGHT ME HOW TO DEAL WITH CERTAIN BEHAVIOURS AND HOW TO WORK WITH CLIENTS IN GENERAL. I FEEL PREPARED TO ENTER THE WORKFORCE.”

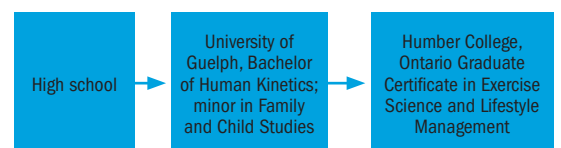

I studied human kinetics and family and child studies in undergrad. I wasn't sure what I wanted to do after graduating. I have a friend who took this program, and she recommended it. I thought it would be a good one-year transition into the workforce.

I found the program really beneficial. Almost every class has a hands-on aspect.

The professors are amazing – above and beyond what I expected. They're all super friendly and helpful. They have worked in the field and can share their own knowledge and experiences. That's very valuable.

I love this program, so I would say to anyone who's thinking about doing it, you won't regret it. The skills you learn are so valuable, no matter which direction you take your career.

JILLIAN'S PATHWAY

“EDUCATION IN UKRAINE IS MORE LECTURE-BASED. HUMBER HAS THE PERFECT COMBINATION OF HANDS-ON AND THEORY. I WAS LOOKING AT DIFFERENT COLLEGES IN CANADA, BUT I DECIDED TO GO TO HUMBER AND I’M REALLY HAPPY WITH MY DECISION.”

I studied management first, and I’ve also been a manager in Ukraine. After eight years of working I decided to change my career because I wanted to try something new.

While working on creating a mobile app for kids, I got acquainted with a lot of designers and artists. They inspired me to learn graphic design.

The program is great. We’ve been taught many aspects of graphic design, even more than I imagined. The professors are supportive and like friends to us. It’s really nice, and I like that they are all from the industry. They have a lot of experience and that comes through in what they teach.

To other international students thinking of coming to Humber, I would say there’s nothing to worry about. Humber is very supportive and there is an International Centre where you can get help or ask questions.

FIRST YEAR LIFE

You're ready to dive into college life but might want help figuring out how it all works, meeting new people and getting off to a great start. We're here to help, from orientation week all the way to final exams.

ACCESSIBILITY SERVICES

Students with disabilities are entitled to be accommodated at college. Our accessibility consultants will help you address potential barriers so that you can focus on your studies and succeed.

ACADEMIC ADVISING & SUPPORT

Choosing the right fit in an academic program and making the grade can be exciting and challenging. We have academic advisors, tutors, writing and math specialists who are ready to help out.

HEALTH SERVICES

Is there a doctor in the house? You bet. We have a great team of doctors and nurses ready to assist you.

COUNSELLING SERVICES

It can feel impossible to study when you've got something big on your mind. We're here to talk and have a dedicated team of professional counsellors who provide free, confidential support.

ATHLETICS & RECREATION

The best place to leave stress behind is the gym. Varsity and intramural/extramural teams are seasonal. Fitness classes and the fitness centres are open year-round to work up a sweat.

► Student lounge and study spaces are available throughout Humber's campuses.

RESIDENCE & HOUSING

Is it time to have new keys cut? Looking for a place to call your own or would you rather share with roommates? Let us help you open new doors and build community, on and off campus.

FOOD SERVICES

We've got your fuel. Choose from a variety of tasty options, including Halal, vegan or vegetarian. It's easy to find healthy food and a place to grab a coffee with friends on campus.

CAREER SERVICES

Landing the job will require more than a firm handshake. We have experienced advisors who can review your resumé, show you how to job search, and prepare for the interview.

ABORIGINAL STUDENT SERVICES

Aboriginal students have access to an Elder, study area, peer mentoring and cultural activities. We have everything you need to get connected and build community.

FINANCIAL AID

A challenge for any student is balancing new financial demands with a limited income. We have information on awards, bursaries and grants to help you.

RIGHTS & RESPONSIBILITIES

As a student, you have the right to come to school in a harassment- and discrimination-free environment – and the responsibility to treat your classmates, professors and staff with respect.

CAMPUS SECURITY

Humber Public Safety ensures all students, staff and visitors have a safe and pleasant experience at the college. Security is available 24 hours a day should you need assistance.

CAMPUSES

WE ARE A GREAT COMMUNITY

**HUMBER HAS THREE
CAMPUSES IN AND
CLOSE TO THE GREATER
TORONTO AREA.**

Our North Campus is located on the Humber River, close to Pearson International Airport. Our Lakeshore Campus is right on Lake Ontario, on the west side of Toronto. Our Orangeville Campus is in the town of Orangeville, one hour north of Toronto.

NORTH CAMPUS

LAKESHORE CAMPUS

ORANGEVILLE CAMPUS

► Having spaces to study and relax is essential. The North Campus Learning Resource Commons (LRC) also has essential services to support your studies.

NORTH CAMPUS

EXCEPTIONAL ACADEMICS, VIBRANT CULTURAL EXPRESSION AND PEACEFUL SERENITY.

Humber's largest campus is situated on 250 acres of green space at Finch Avenue and Highway 27, right on the banks of the Humber River. The campus is easily accessible from Brampton, Mississauga, Toronto and York Region, and is a public transit ride away from downtown Toronto.

Energetic and dynamic, the North Campus is home to the Learning Resource Commons, an open, bright six-storey facility that houses most of the campus's student services, as well as a range of study, meeting and socializing areas. The North Campus residence has space for 1,000 students and overlooks the Humber Arboretum, with gardens, parkland and hiking trails – and the odd deer sighting!

GREAT FACILITIES MEAN YOU'LL LEARN ON-THE-JOB SKILLS WHILE IN SCHOOL

- Digital media studios, radio station and television broadcasting facilities
- State-of-the-art science labs supporting health sciences programs
- The Design Centre, an open concept, studio style setup where our design programs are based
- The Barrett Centre for Technology Innovation, a building where faculty and students work with businesses and community organizations to innovate and create
- The Centre for Urban Ecology, a sustainably designed building for educational programs set in our 250-acre arboretum
- The Canadian Centre of Culinary Arts and Sciences, home to our culinary programs, and the Humber Food Truck – a unique mobile classroom
- The Humber Spa, a full-service spa and boutique staffed by esthetician/spa management and cosmetic management students
- Aboriginal Resource Centre (ARC) and Aboriginal Elder on campus

► There are plenty of outdoor spaces for students to enjoy in the warm weather (and, for the brave ones, in winter too).

► HIVES (Humber Interactive Spaces), one of the more unique study and learning spaces at North Campus.

DENAY
VISUAL AND DIGITAL ARTS

“I REALLY FOUND MY STYLE THIS YEAR. I’M HALF FIRST NATIONS AND HALF CANADIAN. I INCORPORATE A LOT OF SPIRITUALITY, MYTHOLOGY AND STORYTELLING INTO MY PIECES, AND I ALSO BRING ELEMENTS OF POP CULTURE INTO IT.”

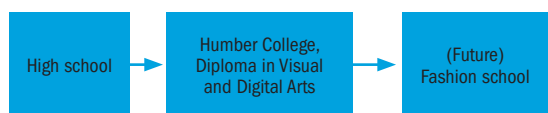

I was debating between the arts program at Humber and a few other schools. I thought it would be good to work on my portfolio and get a solid base in general arts. That’s how I ended up here.

I grew up on a reservation, Attawapiskat First Nation, on and off until I was 10 or 11. Then I spent my teenage years in Sutton on Lake Simcoe. Sutton is a small town and I wanted so much more. Humber and living in Toronto has opened up new experiences for me.

The professors are really good at providing guidance. A lot of them are practicing artists; they have experience in galleries and the workforce.

The art gallery space in my program is pretty cool. It used to be a hair salon, so it’s huge. It’s great for making art and being creative. There’s a great warmth with everyone at Humber – it’s like a family.

DENAY’S PATHWAY

► We have lots of collaborative spaces to gather and learn on campus.

LAKESHORE CAMPUS

HISTORIC ARCHITECTURE. MODERN CONVENIENCES. MANY WAYS TO CONNECT WITH NATURE.

Featuring classrooms and labs in 10 restored heritage buildings, the Lakeshore Campus is also home to several new and recently restored spaces, including: the Centre for Entrepreneurship, a place for students who want to launch their own businesses or learn new skills; the Student Welcome and Resource Centre, which houses many of the campus's student services, and a Fitness Centre. The Lakeshore Commons provides four floors of classrooms, meeting, study and socializing spaces, and an art gallery. Four hundred students call the Lakeshore Student Residence home.

► The past and present meld perfectly as Humber students learn and live among Lakeshore Campus's historic buildings, retrofitted with state-of-the-art classrooms and an outdoor community event space.

► Acting as the gateway to Lakeshore Campus, The Student Welcome and Resource Centre offers a gathering place for students, as well as essential student services.

THERE'S SO MUCH AT LAKESHORE CAMPUS

- Student Welcome and Resource Centre with health and counselling services
- Lakeshore Grounds Interpretive Centre, a space dedicated to telling the history of the campus's location
- Black box theatre and theatre production workshops
- Professional recording studio, as well as practice rooms and performance spaces
- Digital media production studios
- The Centre for Entrepreneurship, our innovation incubator
- The Fashion Institute, home of our Fashion Management degree program
- The Centre for Justice Leadership, which includes a simulated crime scene lab, interrogation rooms and a mock court of justice
- A 360-degree, high-speed driving simulator for our Police Foundations students
- A simulated stock exchange trading floor
- Lakeshore Commons building with airy, open common areas and workspaces, computer labs, multi-media production suites, an art gallery and a cafeteria
- Aboriginal Resource Centre (ARC) and Aboriginal Elder on campus

HUMBER
Orangeville Campus

ORANGEVILLE CAMPUS

WELCOME TO YOUR BRIGHT FUTURE.

Humber's Orangeville Campus is a tight-knit community. Small class sizes mean you will get to know your classmates and instructors well.

The campus is housed on the second floor of the Town of Orangeville's Alder Street Recreation Complex. This campus offers five classrooms, a Student Commons/Computer Lab, as well as a library, food court and restaurant. Parking onsite is free.

The Orangeville Campus offers some of our most popular programs, including Early Childhood Education, Design Foundation, Social Service Worker and Police Foundations, all taught by professors with industry experience.

► Overlooking an atrium, Humber's Orangeville campus spaces let students achieve their academic goals in a close-knit environment.

YOU DON'T HAVE TO GO FAR TO GET FAR.

- Home to more than 200 full-time students
- Local campus and in-the-community events offer lots of opportunities for students to interact and learn
- Study in wireless classrooms, along with a student commons and computer lab
- On-site fitness centre including a swimming pool, two hockey rinks, library and a food court

► Program offerings at Orangeville Campus focus on human and social care, as a reflection of this campus's community vision.

► Students can gather in the campus lounge to study or relax.

WE ARE ON THE PATH TO SUCCESS

**WE HAVE MORE THAN
180 FULL-TIME PROGRAMS
IN MORE THAN 40 AREAS
OF STUDY, ALL DESIGNED
TO MEET YOUR ACADEMIC
AND CAREER GOALS.**

► Lakeshore offers a variety of spaces ideal for relaxing and studying. Lakeshore Commons (L Building) is the main hub for students.

CREDENTIALS

FOUNDATION PROGRAMS (TWO TO THREE SEMESTERS)

Our foundation certificates allow you to gain or upgrade the skills you need to pursue further studies or launch your career. These programs will help you build a portfolio, develop and hone your skills, or take the next step in your career.

CERTIFICATES (TWO TO THREE SEMESTERS)

One-year certificates allow you to establish a foundation of knowledge in a given field or upgrade your skills in your current career.

APPRENTICESHIPS (THREE TO FIVE YEARS)

Apprenticeships give you the opportunity to learn an in-demand skill in a variety of fields. We help get you ready for the workplace through the in-school training component.

DIPLOMAS (FOUR TO SIX SEMESTERS)

Our career-focused diplomas are designed to give you specialized knowledge, enabling you to be work-ready when you graduate.

BACHELOR'S DEGREES (FOUR YEARS)

Our honours bachelor's degrees give you the ideal balance of theoretical, academic knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional work and clinical placements.

ONTARIO GRADUATE CERTIFICATES (TWO TO THREE SEMESTERS)

Intended for students who already have a bachelor's degree or an appropriate postsecondary credential, an Ontario graduate certificate will give you specialized knowledge in your field of interest and prepare you for your career.

 For a complete list of programs, visit humber.ca/programs.

APPRENTICESHIPS OFFER YOU A CHANCE TO LEARN A HIGHLY SKILLED TRADE IN A NUMBER OF INDUSTRIES

WE PROVIDE THE REQUIRED ACADEMIC COMPONENTS TOWARDS AN APPRENTICESHIP, INCLUDING TECHNICAL THEORY AND IN-SCHOOL TRAINING.

Skilled trades play an important role in our economy. The rapid pace of technological change and workforce retirements mean skilled tradespeople are in demand.

At Humber, you'll use the latest industry software in fully equipped labs and shops. Working with skilled instructors, you'll learn about current trends within the industry and work in a learning environment that mirrors what you'll see once you're on the job.

The first step in any apprenticeship is to get a job with an employer who is willing to sponsor you as an apprentice. Once that is done, contact the Ministry of Advanced Education and Skills Development (ontario.ca/page/start-apprenticeship) to start your registration.

Apprenticeship programs are open to domestic students only.

 For up-to-date program information, visit humber.ca/programs.

▶ Technical theory, practical job experience and in-school training are the three pillars supporting our technical trades programs.

LIDUO (DORA)
COOK APPRENTICESHIP

“THE TEACHERS AT HUMBER ARE KNOWLEDGEABLE. THEY HAVE ANSWERS TO ALL OF MY QUESTIONS, AND GIVE ME A LOT OF INFORMATION. THEY GIVE FEEDBACK AND SHARE EXPERIENCES THAT HAVE INSPIRED ME.”

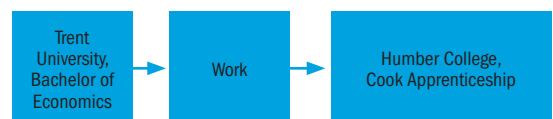

I came to Canada as an international student and studied economics at Trent University. After working at a financial company for a few years, I realized it wasn't for me, and that my true passion is cooking.

I discovered there was a government program where my employer at the time could sponsor me to join Humber's Cook Apprenticeship program.

The cooking classes, of course, are great. There's a math class, a management class and a menu designing class. I love the menu class because you learn how to design menus and calculate costs. This skill will be helpful if I want to open my own restaurant one day.

I've recommended this program to all my colleagues. The chefs have a lot of experience and patience. The skills I'm learning at Humber are definitely preparing me for the workforce.

LIDUO'S PATHWAY

► A Humber student tells her story through a program assignment.

► Hands-on projects allow students to see their vision come to life.

YOU CAN CHOOSE FROM MORE THAN 100 CERTIFICATES AND DIPLOMAS AT HUMBER

OUR CERTIFICATE AND DIPLOMA PROGRAMS ARE DESIGNED TO GIVE YOU A BLEND OF THEORETICAL KNOWLEDGE AND PRACTICAL, HANDS-ON EXPERIENCE.

Advanced diplomas take six semesters to complete and usually incorporate a work placement. Diplomas take at least four semesters, while certificates are usually less than four semesters.

 To learn more, visit humber.ca/programs.

OUR CAREER-FOCUSED HONOURS BACHELOR'S DEGREES ARE THE IDEAL BLEND OF THEORETICAL LEARNING AND PRACTICAL APPLICATION

Classes are taught by professors who have active industry connections and outstanding academic credentials.

All of our degree programs offer work placements or clinical experience, many of which are paid – meaning you'll get valuable job experience even before you graduate.

Add in small class sizes and an industry-guided, job-relevant curriculum, and your Humber degree will give you a definite advantage in a competitive world.

► Humber offers a wide range of industry-relevant bachelor's degrees.

FIRST-YEAR COMMON PLATFORM

Many of our programs have common platforms, giving you more time to choose a career path. Take between a semester and a year to learn the fundamentals of business, communications and more, and then decide which way you want to go.

ANDREW

BACHELOR OF MUSIC – KEYBOARD

“IT WAS A BIG CULTURE SHOCK WHEN I CAME HERE, IN A GREAT WAY. I OPENED MYSELF UP TO A WIDE RANGE OF MUSICAL STYLES THAT I HADN’T EXPERIENCED BEFORE.”

I’ve taken piano lessons since the age of five and played trombone and tuba in my junior and senior high school years. After high school I studied classical piano at Memorial University in Newfoundland, then took a year to work as a freelance musician in St. John’s.

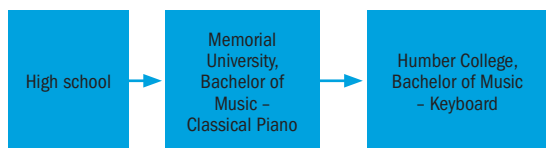

After my year in the field I realized I wanted to become a more versatile pianist. That’s why I chose to come to Humber. The school offers a unique experience, with opportunities to study a variety of genres.

The professors are fantastic. They are incredibly talented and they have so much experience teaching and performing.

There are ensemble rooms available for students to book in the evenings, and every student has the opportunity to arrange and perform their own concert in the auditorium.

Studying at Humber has helped me build the necessary skills and confidence to move forward with the next step of my career.

ANDREW’S PATHWAY

YOU’VE WORKED HARD TO GET WHERE YOU ARE – AND WE RECOGNIZE THAT

DEGREE SCHOLARSHIPS

We offer automatic scholarships to newly admitted degree students entering their first year directly from high school:

ACADEMIC AVERAGE	DEGREE SCHOLARSHIP AMOUNT
95%+	\$4,000 renewable
90–94.9%	\$3,500 renewable
85–89.9%	\$3,000 renewable
80–84.9%	\$2,000 renewable
75–79.9%	\$1,500 one time

Renewable scholarships will be reissued if the student achieves 80% or above in each year of the Bachelor’s degree.

DIPLOMA TO DEGREE TRANSFER STUDENT SCHOLARSHIP

Humber awards degree scholarships to students entering any Humber honours bachelor’s degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80 per cent or better will be awarded a one-time scholarship of \$2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

“HUMBER HAS A STRONG REPUTATION AND I WANTED TO GO SOMEWHERE THAT WOULD PROVIDE GOOD CONNECTIONS IN MY FIELD.”

I received my Paralegal Diploma from Mohawk College. Once I graduated, Humber offered a Degree-Transfer pathway to the Bachelor of Paralegal Studies and I was able to start in the second year of the program.

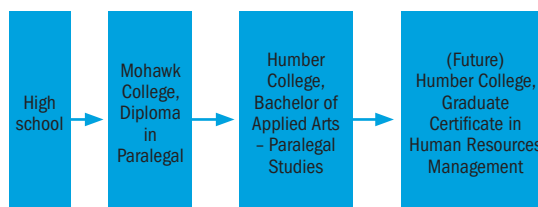

It is the only four-year paralegal degree program to receive accreditation from the Law Society of Ontario.

My professors are wonderful. They are all active in the legal field, and they have a lot of insight. We have professors who are deputy judges and Honourable Justices of the Peace. One of our professors wrote our textbook and another created the first Indigenous Studies course in the program.

Law serves as a foundation for so many careers that you could go anywhere with this degree.

I am part of the Consent is Sexy campaign advocating against sexual violence on campus and I also volunteered with the Take Back the Night march. There are endless opportunities to get involved at Humber.

MADISON'S PATHWAY

GET THE CREDIT YOU DESERVE

WHO IS A TRANSFER STUDENT?

You are a transfer student if you have completed or partially completed a program at a college or university and wish to continue your studies at Humber.

AS A TRANSFER STUDENT, YOU CAN FOLLOW ONE OF THREE PATHS:

TRANSFER IN

You want to transfer credits or credentials from another college or university or apply for credit based on prior work or life experience.

TRANSFER WITHIN

You are a Humber student or graduate wanting to transfer credits or a completed credential into another Humber program.

TRANSFER OUT

You are a Humber graduate wanting to further your education through future study options at other educational institutions.

TRANSFER CREDITS

If you have completed a similar course at another recognized postsecondary institution, you may be eligible to receive transfer credit(s) toward your Humber program. Use our step-by-step guide and online database to get you started.

PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

PLAR is designed to recognize relevant learning acquired through life and work experience and translate this learning into college credit.

HUMBER-SENECA POLYTECHNIC PARTNERSHIP

In June 2018, we announced the Humber-Seneca Polytechnic Partnership (HSPP). This partnership promotes cooperation and collaboration between Humber College and Seneca College while enhancing and expanding learning opportunities for students at both institutions.

Through the HSPP, we are identifying potential transfer pathways between diplomas and degrees at both Humber and Seneca.*

This partnership will also include joint efforts on developing and planning programs, creating shared curriculum and expanding program offerings. Leveraging our combined strengths as providers of comprehensive polytechnic education, we'll work with Seneca to provide you with broader options and greater access to world-class education.

- ➔ Humber's Computer Programmer Diploma to Seneca's Software Development Honours Degree.

PATHWAYS AT HUMBER

AS A GLOBAL LEADER IN POLYTECHNIC EDUCATION, HUMBER OFFERS A NUMBER OF OPPORTUNITIES TO HELP MEET YOUR GOALS. HUMBER SUPPORTS CONTINUOUS LEARNING AND WE HAVE BUILT IN MANY PATHWAYS BETWEEN OUR CREDENTIALS TO HELP YOU FIND THE RIGHT PROGRAM FIT.

FOUNDATION PROGRAMS

Our foundational pathways get you ready for postsecondary education and help you make an informed choice.

ART FOUNDATION

This program offers you a comprehensive foundation in the basics of visual arts. Working in a studio environment, you'll explore the creative process with different types of media.

DESIGN FOUNDATION

This program gives you the skills to put your creative flair and interest in visual arts into focus as you begin a career in design. Train in professional design with a diverse curriculum that features courses in interior, graphic and industrial design.

MEDIA FOUNDATION

With small class sizes and expert instruction in design, writing and computer skills, this program is an excellent stepping stone to more specialized media career training.

COLLEGE OR UNIVERSITY TRANSFER (TWO OR FOUR SEMESTERS)

Prepare for further study at college or university with a program combining humanities, math and science courses with instruction in academic writing and critical thinking skills. After four semesters, you may gain advanced standing in degree programs at Humber and other institutions.

PRE-HEALTH SCIENCES PATHWAY TO ADVANCED DIPLOMAS AND DEGREES (TWO SEMESTERS)

If you're interested in a career in health sciences, this program will help you build the basic science and mathematics knowledge you'll need. You'll learn writing and critical thinking skills along with foundational knowledge of biology, chemistry, anatomy and physiology.

TECHNOLOGY (TWO SEMESTERS)

Gain important background knowledge in physics, chemistry, computer applications, AutoCAD and math, coupled with academic writing and critical thinking.

*Graduates of similar Ontario diplomas may also be eligible for block transfer credit into a Humber degree program if their diploma program has the same program learning outcomes as the Humber diploma. Please note that diploma graduates may be required to take courses offered in lower semesters in order to meet the overall degree learning outcomes. Specific program grade point averages (GPAs) and subject requirements are required for admission.

**Graduates must have a 80 per cent overall GPA in their Ontario College diploma program to be eligible for \$2,500.00 scholarship.

NAVIKA
POLICE FOUNDATIONS

“HUMBER SEEMED LIKE THE BEST CHOICE BECAUSE MANY PEOPLE HAD GOOD THINGS TO SAY ABOUT THE POLICE FOUNDATIONS PROGRAM IN PARTICULAR. IT SEEMED TO HAVE A LOT OF THINGS THAT AREN'T OFFERED AT OTHER SCHOOLS.”

I knew I wanted a career where I could help people. We had police officers at our high school, and I would often interact with them. Through this, I realized policing was a career I could see myself in.

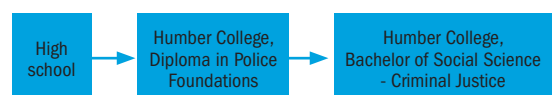

My time in the Police Foundations program put into perspective for me what you have to expect going into this career. It helps having teachers that have been and are still police officers.

I haven't seen a simulation lab like Humber's anywhere else. The situations and graphics are so life-like. I did a driving simulation and a use-of-force simulation.

I've been accepted into the Criminal Justice degree program, which is a pathway from the police foundations program. Because I have my Police Foundations diploma, in another two years I will have a degree.

I'm walking away from my program with a lot more than when I came in to it.

NAVIKA'S PATHWAY

YOU WANT A GREAT EDUCATION AND WE WANT TO HELP YOU GET ONE. THERE ARE MANY WAYS TO MAKE THAT POSSIBLE.

AWARDS AND SCHOLARSHIPS

Scholarships and awards are given to students based on merit and academic achievement. We can also help you find information about application-based scholarships both from Humber and from external sources. We awarded more than 1,000 awards and scholarships to eligible students last year, including entrance scholarships and awards for academic achievement.

➔ For more information, go to humber.ca/studentawards.

DEGREE SCHOLARSHIPS

We offer automatic scholarships to newly admitted degree students entering their first year directly from high school.

➔ To learn more, visit humber.ca/financial-aid.

DIPLOMA TO DEGREE TRANSFER STUDENT SCHOLARSHIPS

Humber awards degree scholarships to students entering any Humber honours bachelor's degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80 per cent or better will be awarded a one-time scholarship of \$2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

➔ To learn more, visit humber.ca/financial-aid.

BURSARIES

We provide bursaries to students who have financial emergencies or an ongoing financial need. There are bursaries available for students who are the first in their families to go to a postsecondary school, students who want to study abroad, and many more.

➔ For more, visit humber.ca/admissions/financial-aid/scholarships-bursaries.

OSAP

The Ontario Student Assistance Program (OSAP) provides federally and provincially funded loans and grants to eligible postsecondary students.

“OUT OF ALL THE COLLEGES I WAS LOOKING AT, HUMBER LOOKED REALLY FRIENDLY. IT LOOKED LIKE THE COLLEGE THAT HAD THE BEST COMMUNITY – ONE THAT IS REALLY ACCEPTING OF PEOPLE THAT ARE NEW TO CANADA.”

I went to high school in Romania, then moved to Canada with my family and started in Humber's Business – Marketing diploma program. I decided I wanted to specialize in digital marketing, so I continued my studies in the Digital Business Management degree program. I received transfer credits for my diploma and started in the second year of the program.

The program is engaging and practical, combining theoretical knowledge with practical skills. The professors are really great. They always encourage us to think analytically and make connections with real-life situations. All of them have experience in the field. The program offers amazing extracurricular activities and networking opportunities.

I work full time for a marketing agency, and would not be able to do most things at my job without the knowledge I've gained from Humber.

LAND ACKNOWLEDGEMENT: HONOURING THE LAND

Humber College is located in Aadoobiigok, known as "Place of the Black Alders" in the Ojibwe Anishinaabe language. It is uniquely situated along GabeKanang Ziibi, the Humber River providing an integral connection for Indigenous peoples between the northern shore of Lake Ontario and the Lake Simcoe Georgian Bay region. In honouring the land, we are walking in the moccasin tracks of our ancestors and leaving our footprints for the future generations to come.

The cover and inside pages are printed on Rolland Enviro100 which contains 100% post-consumer waste fibres.

ENVIRONMENTAL IMPACT SAVINGS

By choosing 100% post-consumer recycled paper over 100% virgin fibre paper, we saved:

357 trees
(24 tennis courts)

52,508 kg CO₂
(emissions of 18 cars per year)

1,303,647 l of water
(3,725 days of water consumption)

297 MMBTU
(energy consumption of 3 households per year)

15,981 kg of waste
(1 garbage truck)

68 kg NO_x
(emissions of 1 truck during 209 days)

Environmental impact estimates were generated by Rolland Enterprises.
