Committed to a Greener Planet

At Northumbria, we are passionate about saving our planet.

Northumbria has recently been named fourth most sustainable university in the UK in the 2019 People and Planet University League.

We are committed to optimising our contribution to the UN Sustainable Development Goals (SDG) through our research, teaching, campus and operations.

As part of our efforts to reduce our impact, we have produced this mini-guide in replacement of our larger prospectus. In doing so, we have saved almost 5 million pages of paper and over 10 tons in weight when printing and distributing the guide.

All of the up-to-date information about coming to university is best found on our website.

CONTENTS

Why Northumbria?

Discover why you should study at Northumbria – a research-rich, business focussed, professional university with a global reputation for academic excellence.

Check out pages 4 – 11

Where You Belong

Learn more about life both at Northumbria and in the city of Newcastle. Become part of the #IAmNorthumbria family.

Check out pages 12 – 35

This is Your Time

#TakeOnTomorrow

At Northumbria University, we embrace tomorrow. We pursue new thinking, forge new partnerships, create and exchange new knowledge, and find new solutions.

Our inspirational academics, partners and students work together to tackle tomorrow's challenges head on. We're ready for the future whatever it may hold.

Confident and creative in everything we do, we offer leadership and direction in this fast-changing world. Those with courage will transform lives and make a remarkable impact on the world.

Tomorrow. How will you handle it? Join us today and we can tackle this exciting new world together.

OUR ACADEMICS ARE TAKING ON TOMORROW

Northumbria is leading debate and responding to today's challenges through ground-breaking research which is brought into the classroom.

Northumbria ranked in the top 50 in the UK for research power (REF) 2014: marking the highest rise in any institution. Our academics explore some of the world's most urgent and complex problems and use their research to fight disease, increase life expectancy and protect our planet. They ask the questions that mean we can tackle tomorrow's challenges.

Associate Professor Eamon Scullion
Department of Mathematics, Physics and Electrical Engineering
Predicting solar flares that could damage the earth.

Dr Alana James
Northumbria School of Design
Creating a responsible future for fashion.

Professor Tanya Wyatt
Department of Social Sciences
Tackling the illegal wildlife trade to protect other species and the planet.

Professor Christopher Newman
Northumbria Law School
Bringing order and governance solutions to the space environment.

Associate Professor Longzhi Yang
Department of Computer and Information Sciences
Using AI to improve people's lives without negative side effects.

Professor Greta Defeyter
Department of Social Work, Education and Community Wellbeing
Leading on the fight against holiday hunger.

LEAD ON

We create confident leaders with the stamina, determination, talent and commitment to inspire and get results.

Fit for the 21st century and beyond, our students, staff and alumni do amazing things. Here are a handful of examples:

Karl Wharton MBE
Senior Lecturer in Sports Coaching

Recognised by the Queen, Karl has received an MBE for his leading work in gymnastics. Karl was Head Coach for the British National Gymnastics Team at six World Championships.

Sir Jonathan Ive
KBE, HonFREng, Hon DCL, RDI
Former Senior Design Officer – Apple

Sir Jonathan Ive is credited as being the designer of the MacBook Pro, iMac, MacBook Air, iPod, iPhone, iPad, Apple Watch and iOS 7. He is a Northumbria Design for Industry graduate (1989), and in 2012 he was knighted for his services to design and enterprise.

England Rugby Team

Northumbria graduate and team captain Owen Farrell, alongside students Anthony Watson and Mako Vunipola, led the England Rugby team to the 2019 World Cup Final in Japan against South Africa.

Professor Matt Baillie Smith
International Development

Working with the Swedish Red Cross, Matt is bringing to light the challenges faced by volunteering and developing ways to protect and support all volunteers.

Louise Trotter
Creative Director, Lacoste

Louise graduated from Fashion and Marketing (1991). Having held leadership roles at the likes of Gap, Tommy Hilfiger, Jigsaw, Calvin Klein and Joseph and more recently Creative Director at Lacoste.

WHERE YOU BELONG

You come to university to learn, but there's so much more to experience.

Newcastle is consistently ranked as one of the best cities in the UK for students. You're at the start of an incredible experience. New place, new people. With over 100,000 students across the North East, Newcastle is the perfect place to start your student journey.

Northumbria has modern facilities, extensive course choices and it's based in a cosmopolitan city with a vibrant student community. What more do you need?

Making the most at Northumbria means opening your mind, learning by doing, embracing the community, and shaping an adventure that is completely yours. You aren't just getting an education; you are building a foundation for lifelong success.

Whether you love sport or culture and creativity, want to make a difference or be part of a global community, this is where you belong.

Through societies, volunteering, team sports and our alumni society, this is your chance to challenge yourself, build your confidence, try new things and meet new people with different ideas and viewpoints.

I AM NORTHUMBRIA

At Northumbria we welcome talented, curious, confident and creative students and staff from all around the world.

We want you to embrace life at Northumbria, explore new opportunities, get involved and be part of our community of inclusive, like-minded people just like you, who are making a difference.

Our culturally diverse environment will stimulate ideas, innovation and debate to enhance your learning and student experience. We're passionate about what we do and we are proud of our community.

By joining Northumbria you are joining a global family, we have alumni and staff from over 170 countries. Our alumni stay connected to Northumbria to offer future talent new opportunities. So even after you graduate, you'll always be a part of Northumbria.

Newcastle is often voted one of the best and most affordable student cities in the UK and we're proud to call it our home.

Newcastle is the vibrant capital of North East England and one of the most exciting places in the UK.

The city blends the old and new beautifully, with rich historic landmarks and modern architecture.

Compact and easy to navigate, Newcastle offers a wealth of entertainment and activities. From galleries and museums to theatres and music venues; from restaurants and cafes to pubs and clubs, there is so much to do within walking distance of our city campus.

"Newcastle has everything! Great transport links, great night life - definitely one of the best student friendly cities in the country."

Rebecca Craig | BA (Hons) Fashion Communication

OUR STUNNING REGION

Hadrian's Wall

The fun doesn't stop there. With even more to do just on our doorstep; from rugged countryside to fabulous beaches, historic market towns and intriguing attractions.

Newcastle's surrounding area of Northumberland is full of culture and places to explore. You can take a walk along the World Heritage site Hadrian's Wall, or head to Alnwick Castle which was made famous as 'Hogwarts' in the Harry Potter film franchise.

Bamburgh Castle

Whitley Bay

Six North East beaches have been granted the International Blue Flag status, making them amongst the best in the world. These include Tynemouth Longsands, where you can enjoy award-winning fish and chips, King Edward's Bay and Whitley Bay.

If you fancy something closer then you can head to Gateshead to view the Angel of the North, an iconic sculpture created by Anthony Gormley, and discover the powerful message behind its creation.

No matter what your interests, Newcastle and the North East has something for everyone.

MAP OF THE CITY

Take a look around and get to know the city of Newcastle.

Newcastle has its own international airport and national rail links, making it easy to explore the UK, Europe and the rest of the world.

TRAVEL BY RAIL

Edinburgh - 1h 30m

Manchester - 2h 30m

London - 3 hours

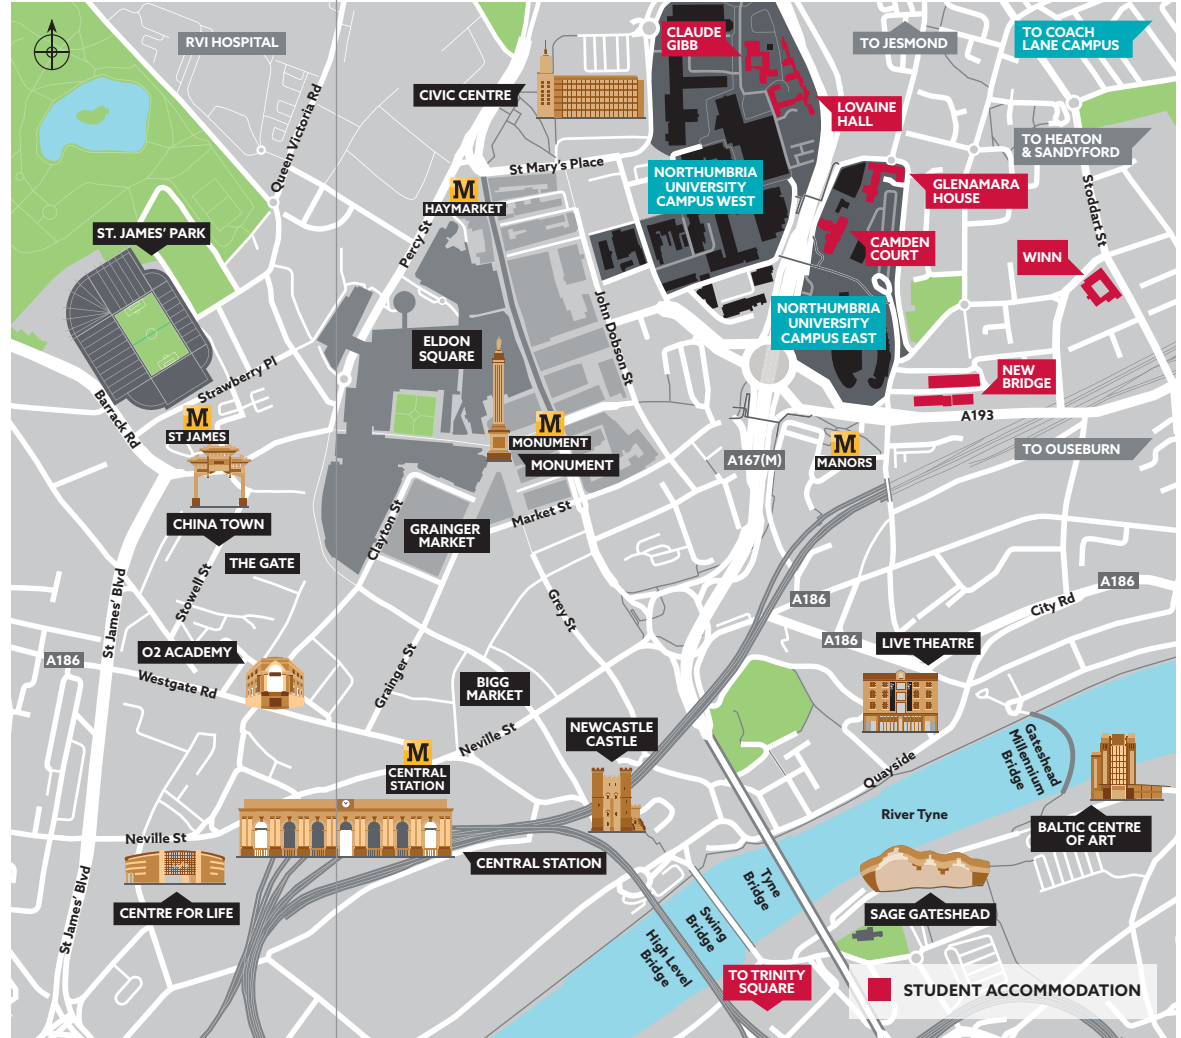

TRAVEL BY AIR

Dublin - 1h 10m

Amsterdam - 1h 20m

Paris - 1h 50m

Dubai - 7h 15m

OUR CAMPUSES

We are passionate about our campuses and have invested over £252 million since 2005 to provide new learning, working and social spaces to improve services and support for our students' welfare and education.

City Campus

Our students study in a world-class campus that adds to an exceptional student experience.

We have recently completed Student Central and City Campus Library, £7 million Computer and Information Sciences Building, new Architecture Studios in Sutherland Building, 24/7 computer hub in Northumberland Building and the refurbishment of the University Gallery.

Our City Campus is in the heart of Newcastle city centre, so it's the perfect place to make the most of your time at university.

Coach Lane Campus

This campus is home to our healthcare and education courses. Our state-of-the-art Clinical Skills Centre is a purpose built facility that gives our students valuable experience of real life situations through a simulated environment.

Located just three miles outside of Newcastle, Coach Lane is an extensive site with its own Students' Union, Library and IT suites.

Coach Lane can be easily reached from City Campus by a free bus service seven days a week.

London

Located in the heart of the city, our London Campus is situated just minutes away from Liverpool Street station. The campus is in a well-known student hub, around the corner from several other university campuses.

Students benefit from studying in a location where the financial district meets the heart of London's digital and technology sector.

We offer full-time and part-time courses in Business, Computing, Cyber, Project Management and Technology.

"It's very culturally diverse here in London which is nice. I have people from Nigeria, Kenya, China, India - places all over the world - in my lectures."

Emua Rose Edebr Asuen |
MSc Project Management
with Advanced Practice

Amsterdam

In the cultural heart of the Netherlands, our Amsterdam Campus offers students the chance to study a range of exchange programmes in a city that is full of history.

Within the excellent teaching facilities provided by the Amsterdam University of Applied Sciences, students can experience a semester or a year in one of the world's leading cities.

We offer postgraduate courses in Business and Project Management. We also offer a year in International Business for undergraduate students.

"When I came to Amsterdam, my eyes were opened. To come here and learn from so many cultures was great, it has really shaped me as a person."

Saba Gebreyohannes |
MSc Business with International
Management

Camden Court

"I loved living in student accommodation as I was able to meet new people. I lived in Glenamara and two years on I still live with the girls I lived with in first year."

Isobel Tallentire | BA (Hons) History

YOUR NEW HOME

Living in halls is a once in a lifetime experience. From meeting new people, to unwinding in your room. Where you live forms a large part of your student life.

Trinity Square

We offer a wide range of options when choosing your accommodation including en suite rooms and catered accommodation. You can book your place as soon as you make Northumbria your firm choice. Much like choosing a seat in the cinema, you can pick your exact room from the building floorplans, giving you the opportunity to shape your experience from start to finish.

Glenamara House

The whole process can be completed online in minutes:

- Enter your interests to help your flatmates learn more about you,
- Browse the live building availability and learn more about potential flatmates,
- Select your exact building, floor, flat and room and finalise the booking online within minutes.

All of our residences are within walking distance of the campus and are easily accessed through local transport links.

BE PART OF IT

It's not all work and no play. Far from it. You're in a city renowned for its friendliness, so why not get involved?

You'll never be short of things to do.

We have over 130 societies to join, from Surf and Snow to Dr Who and the DJ Society you're sure to meet your people here.

And if sport is more your game, Northumbria Sport is the perfect place to get fit, have fun or punch above your weight. Whether you want to take part in challenges, join clubs and leagues, or just get your mind and body on track, you'll be welcomed with open arms.

It's important to stay healthy, active and ready for an ever-changing environment. That's why our Sport Central building boasts state-of-the-art facilities including a six-lane 25m swimming pool, a running track, squash courts and a newly refurbished fitness centre.

We are committed to student wellbeing and ensuring students can access physical activities easily. That's why we boast 35 clubs across 32 sports, offering a mix of social, competitive and participation sports.

Our 'Active Halls', 'Pop up' Sports and 'Learn to' programmes offer a great way to get started and get active on and off campus.

Zambia Project

**GET
INVOLVED**

Student Radio

If you want to make a difference or there's a cause close to your heart, there are lots of opportunities to become part of our community of volunteers.

At Northumbria, we roll up our sleeves. Students and staff alike get involved in a wide range of volunteer projects. Choose from things like sports, animals, teaching IT, arts or helping the elderly. You can get involved in the production of our magazine, TV and radio stations and get your name out there.

Volunteering helps you stand out. But don't just take our word for it. A UCAS survey stated that 70% of employers say they prefer candidates with a degree, plus experience. So you won't just be helping others. You'll be helping yourself.

Gardening Project

Our Students' Union makes a positive impact on the lives of all our students.

At Northumbria University, the Students' Union (NSU) is the centre of student life on our campus, with outstanding facilities made up of bars, entertainment venues, coffee shops, workspaces, chill out zones and meeting rooms.

The NSU is represented at City, Coach Lane, London and Amsterdam Campuses. It is run by a team of students called Sabbatical Officers who have been elected by students to represent you on all aspects of your university experience.

The Greenhouse Café

Here's a taster of what you can do at NSU:

- Enjoy great value food & drink at their on-campus bar, Habita, or The Greenhouse café,
- Find student housing through their in-house letting agency, NU:LETS.
- Join one of the 130+ societies or get involved with volunteering,
- Attend numerous gigs each year – previous acts have included Editors and Frank Turner,
- Get discounted Starbucks,

 @NorthumbriaSU

 NSU/TV

 @Northumbriastudentsunion

THIS IS YOUR TIME

Make it count.

Join a talented, global learning community filled with ambitious, inquisitive people – just like you.

Northumbria is the place to study courses shaped by world-leading research, and created in consultation with students, employers and professionals, statutory and regulatory bodies. Here, you'll learn to question, analyse, challenge, innovate and make an impact.

We play to your strengths.

At Northumbria, everything we do is about you. We're connected, so you'll get the chance to work with global companies, study abroad, expand your horizons, stretch your knowledge, and build your CV.

Our inspirational academics will equip you with everything you need to fulfil your potential – professionally and personally. Your learning experience will be tailored to ensure you're ready for life beyond graduation – for a future yet to be explored.

"This is your opportunity to develop personally and professionally, transforming who you are, what you do and how you do it, in the best research-rich learning environment."

Professor Peter Francis | Deputy Vice-Chancellor

RELEVANT & RECOGNISED

Northumbria has a long and successful history of professional accreditation for its courses. We are proud to provide our students with opportunities to gain the best education possible.

Studying a course with professional accreditation makes you more employable and will help you secure your dream job after graduation.

Over 400 of our courses are accredited by professional bodies, who periodically visit Northumbria to ensure our courses meet professional standards.

Our academic staff hold the same professional registrations and accreditations.

IOP Institute of Physics

SUPERCHARGE YOUR CV

To build that perfect CV, you need to get hands-on experience.

Working on live projects, taking part in a placement year or studying abroad will build upon your skills and make your CV stand out to future employers.

Placements allow you to get workplace ready, test your knowledge and skills, and gain invaluable work experience.

“The level of responsibility my team entrusted me with was the biggest personal achievement for me. Being able to produce key deliverables to tight deadlines while adhering to excellent output quality is something that I will definitely be able to use throughout the rest of my career.”

Tanvi Raj | BA (Hons) Law with Business. Placement year at IBM.

Live projects offer the opportunity to work with a company to answer a real brief. Again, thanks to our extensive connections, we give you opportunities to gain experience at the highest level.

You could find yourself working with companies and organisations like Barbour, L'OREAL, IBM, Nike, Nissan, Microsoft or Santander.

Our Business Clinic provides the opportunity for students to work on live business consultancy projects with one of our many business clients. Whilst the Student Law Office allows students to act on behalf of clients as part of their studies.

Many of our postgraduate courses offer a two-year Advanced Practice option, where you will have the opportunity to put your learning into practice in a 12-15 week internship, study abroad or a research study project in your second year.

By the time you graduate, you'll really know what it takes to succeed in the workplace: to respond to a brief, develop innovative solutions and present yourself with confidence.

STUDY ABROAD

"My advice would be simple - if any student is thinking about going abroad to study, even if it is the smallest thought, do it because you won't regret it. The friendships and memories that are made whilst studying abroad are second to none, and is truly such an amazing experience!"

Chris Bridge | BA (Hons)
Business with Economics.
Study abroad in Hong Kong.

We offer exciting opportunities for you to study and visit countries all over the world, including Japan, Australia, France and the USA.

At Northumbria, we're proud of our global community. Bringing together a wide range of people from diverse backgrounds and cultures makes incredible things happen.

For some students the opportunity to study their subject in a different academic environment is key, and for others the opportunity to live in another culture and interact with students of different nationalities is the real attraction.

Over 200 students choose to study abroad each year to help enhance their CV, expand their academic networks and gain

invaluable experience studying modules which will help them advance within their chosen industry. Some programmes allow you to study abroad for up to three semesters, or even combine study and a work placement to develop your professional profile even further. Our students have studied at institutions such as:

- RMIT University (Vietnam)
- The College of New Jersey (USA)
- Auckland University of Technology (New Zealand)
- University College Syddanmark (Denmark)

SUPPORT FOR YOU

Being a student can be one of the best experiences of your life, but we understand that sometimes it can also be a challenge. Students and their wellbeing are at the forefront of everything we do here at Northumbria.

Our Student Life and Wellbeing team are dedicated to providing quality support for a variety of needs ranging from mental health support to financial advice and guidance. Their dedication has been celebrated through achieving a Customer Service Excellence Award, and being awarded 'Outstanding

Student Services Team' in the Times Higher Education Leadership and Management Awards 2015.

Over half of all Northumbria students use our services in their academic life. You will even be able to access our Student Support teams before you're enrolled in the University.

"University is a huge step and the tutors and support teams have helped me adjust to the new environment of life at university. They make you feel comfortable to go and ask them anything."

Patience Moyo | BSc (Hons) Quantity Surveying

STUDENT CENTRAL

"Student Central is the perfect hub for students to get all the information they need in one place as well as being a great place to access the library and to study"

Emmanuel Kabengele |
Northumbria University
Students' Union President

Student Central is a professional service dedicated to offering an outstanding student experience at Northumbria.

Student Central is the place where students can access information, guidance and support from a range of expert advisers, including Student Support and Wellbeing, Careers, Finance, Accommodation, Library and course enquiries.

Many of the services offer drop-ins, so you can access support and guidance quickly.

Equipped with private consultation rooms, counselling services and experts in a wide range of fields: Student Central can provide support on:

- Accommodation,
- Applying for jobs,
- Assessments,
- Change of student status,
- Choosing a career,
- Counselling,
- Course information,
- Disability,
- Learning and research skills,
- Money and finance,
- Placements,
- Starting your own business,
- Study abroad,
- Using the Library,
- Visas and welfare.

LIBRARY

"The library is like my second home. There are different floors for the type of study you are doing. I usually go with my course mates and like to discuss our ideas, so we work in the group study area."

Mark Robertson | MSc Health Psychology

Northumbria boasts one of the best academic libraries in the UK. We hold the Customer Service Excellence accreditation, with the University Library hosting a collection of just under half a million print books, 916,000 electronic books and almost 85,000 electronic journals, to help support students during their degree.

Our City Campus Library is open 24/7 and staffed by our Ask4Help team who are always on hand to help with your questions and queries. You can also take advantage of our academic support sessions to help you improve your academic writing, research and presentation skills.

The Law Practice Library, based in the Northumbria Law School, is home to a reference collection of law resources, including textbooks, law reports and journals. The collection primarily supports the Legal Practice Course (LPC) and the Bar Professional Training Course (BPTC).

The University Library Digital Commons is located on the ground floor of Northumberland Building. It provides over 160 learning spaces, including spaces with PCs/Macs and collaborative tables for group work.

Coach Lane Library provides learning spaces over three floors and offers silent, quiet and collaborative spaces to enable you to find your perfect learning space.

"Receiving support from the Student Life and Wellbeing team improved my self-esteem and my approach towards my studies. It is one of the most valuable things I've done throughout my time at university."

Anonymous | Faculty of Arts, Design and Social Sciences

Our Student Support and Wellbeing service is always on hand to support you throughout your student journey.

Student Support and Wellbeing provides information, advice and welfare support for all students in relation to finance, mental health, disability and international student welfare.

Before you apply, our specialist advisers are here to explain your funding options, including information on scholarships, loans and grants. They can also advise you on how to apply for extra support, such as childcare.

We provide a comprehensive range of support services for students who have a disability or specific learning difficulties. This support continues throughout your studies.

If you're an international student, we offer immigration and visa advice together with information on working in the UK.

We also help to support students through the transition to university in the UK by organising international events. Those flying into Newcastle International Airport can register for our free Meet and Greet service, which means someone will meet you and take you to your accommodation when you arrive.

Our services include:

- Financial support,
- International student support,
- Disability and dyslexia support,
- Counselling and mental health support,
- Welfare and health support,
- Chaplaincy and faith advice.

MONEY MATTERS

Higher Education is an important investment in your future. At Northumbria we offer a range of support packages to ease the financial commitment of studying at university, allowing you to focus more on your studies.

Tuition Fees and Maintenance Loan

All of our tuition fees can be found on our website. Home students are eligible to apply for a Student Finance Maintenance Loan. Postgraduate students can find information on Master's Loans on the UK government website.

Support Packages

There are a range of scholarships, bursaries and financial aid available depending on your circumstances. Alumni can also receive a 20% discount on their annual tuition

fees for a postgraduate course. For further information on what is available and how to apply please visit the website.

Managing Your Money

Learning to manage your money whilst studying is an integral part of university life. Our Careers and Employment service can support you in finding part-time work, whilst our Student Life and Wellbeing teams can provide advice and guidance on handling your finances.

IT STARTS HERE

You'll be part of a vibrant learning community engaging in lectures, seminars, workshops and experiential study. You'll help to shape your learning by choosing modules, projects and a dissertation topic to take you exactly where you want to be in your career.

Northumbria Pathways

All of our pathway courses are taught directly on our campuses. Our courses can help international students improve their English language and academic skills to give you the confidence to start your degree.

Foundation Year

This is a four year study route for an undergraduate degree. This course is designed for students who have not achieved the entry requirements for their chosen course. Following successful completion of the foundation year, you will automatically progress onto the first year of your degree. (Exclusions apply).

Undergraduate Degrees

Undergraduate degrees include BA (Hons) and BSc (Hons) qualifications. We offer placements or study abroad options on the majority of our courses which can vary in length depending on the course.

Integrated Master's

Some courses offer a fully fundable undergraduate degree with the opportunity to undertake a year of study at master's level.

Degree Apprenticeships

These specialist courses are co-designed with employers to ensure they're providing the skills that industries are looking for. Students are employed and divide their time between the workplace and study.

Postgraduate Taught Degrees

Postgraduate degrees include MA and MSc qualifications. Master's usually last one year. We also offer a two-year Advanced Practice option, where you have the opportunity to undertake a 12-15 week internship, study abroad or research study project in your second year.

PG Cert and PG Dip awards are qualifications you can achieve by studying fewer modules at master's level.

MRes degrees also have a taught component, but the majority of your time will be spent undertaking independent research.

Postgraduate Research

We have a vibrant community of postgraduate researchers, supported by excellent facilities, and offer a range of PhD/MPhil programmes, research projects and studentships throughout the year. PhD's provide an opportunity to become an expert in a field you are passionate about, opening doors to prestigious careers in academia, or to research positions across industry and public service.

ADMISSIONS AND SELECTION

Entry Requirements

All of our entry requirements can be found on individual course pages on our website. At Northumbria we accept a wide variety of academic and vocational qualifications for entry. To find out what points are awarded to UK and EU grades visit ucas.com and use their tariff calculator. International applicants can find out more information by visiting northumbria.ac.uk/international

Advice and information

If you require any additional information about any of our courses, or need advice on entry requirements or the application process, please contact our Applicant Services team on **+44 (0)191 406 0901** or bc.applicantservices@northumbria.ac.uk

Selection process

We will read your application in detail, looking very carefully at the information you have told us about yourself. We are interested in your academic qualifications and potential; work and life experiences; and your personal skills and qualities.

For some courses, you may need to attend an interview or submit a portfolio. For further information on the selection process for a specific course, visit our website.

Admissions policy

Any offer the University may make is subject to the terms and conditions set out in our Admissions Policy and Handbook of Student Regulations on our website.

UNDERGRADUATE HOME AND EU VIA UCAS

This is a quick guide to your application journey. For more information on applying to Northumbria, visit our website.

Remember:

Research universities and attend Open Days or recruitment visits in the EU.

UNDERGRADUATE AND POSTGRADUATE INTERNATIONAL STUDENTS

This is a quick guide on how to apply for a course at Northumbria. For more details visit our website.

Remember:

Research universities and attend our recruitment visits in your country. For more details visit northumbria.ac.uk/nuworldwide

POSTGRADUATE HOME AND EU STUDENTS

This is a quick guide on how to apply for a postgraduate course at Northumbria. For more information on applying to Northumbria, visit our website.

Remember:

Research universities and attend Open Days or our recruitment visits in the EU.

CONTACT US

There are a range of ways you can get in touch. Please contact the relevant team or message us via our other channels.

Terms and conditions

The information given in this guide is for guidance only. In compiling it, the University has taken every care to be as accurate as possible, but all information is subject to change. It is not to be taken as imposing upon the institution any obligation to provide, or to continue to provide, any course or amenity described herein. Everything is correct at date of printing, February 2020.

The best way to experience Northumbria before you apply is to attend one of our on-campus Open Days.

We offer a number of Open Days throughout the year.

We also host virtual events and in-country visits.
